

ASSERT YOUR INDEPENDENCE.

Get into the Winslow way of life.

Winslow Manor is one of those rare places. It offers all the convenience of living close to the "action" of downtown Bainbridge, while maintaining the peaceful nature of Bainbridge. It's life as you make it. Walking to the market to pick up some fresh flowers, hanging out at a street side café, or a stroll to the waterfront boardwalk.

It's the best location. And the perfect situation.

You have the option to savor a freshly-prepared dinner served in the dining room Monday through Friday. Or you can just sit back and enjoy the surroundings, along with the very reasonable monthly rates (and if and when the time does come to transition to assisted living, it's an easy move.) It's all good.
