Heat still sizzles in the fields
 In August summer still yields
 The sun shines to no regret
 Wind sauntering 'til sunset
 Though heat is being cooled off by the rain
 Preserving flowers, and meadow – green
 But summer still taking what it brings
 The August incense with fugacious wings
 Bounty blooms, butterflies, bees are insane
 Birds, crickets sing and the night listens
 Summer's sky, bright burst so clear
 It's the late August in summer's fair
 Summer in August still in standby
 Sooner balmy weather is coming by
 The hot temper will bicker with cool air
 With soothing breeze here comes
 September
