## A Prayer in Spring

By

Robert Frost

Oh give us pleasure in the flowers  
today

And give us not to think so far  
away

As the uncertain harvest; keep us  
here

All simply in the springing of the  
year

Oh give us pleasure in the or-  
chard white

Like nothing else by day, like  
ghosts by night

And make us happy in the happy  
bees,

The swarm dilating round the  
perfect trees.

And make us happy in the darting  
bird

That suddenly above the bees is  
heard,

The meteor that thrusts in with  
needle bill,

And off a blossom in midair  
stands still.

For this is love and nothing else is  
love,

The which it is reserved for God  
above

To sanctify to what far ends He  
will,

But which it only needs that we  
fulfill.
