

EVERY ACTIVITY UNDER THE SUN

And then a few surprises!

The activity calendar is always full at Bainbridge Senior Living. You can choose from the ever popular Mystery Ride, tea parties, daytrips to museums and surrounding quaint towns or kick off your weekend with Charades and Chardonnay.

If you're up for a little exercise, there's anything from Move & Groove to Walking Club. If you're into getting your hands dirty, there's gardening. And if you just want a little peace and quiet, well, that's always just around every corner.

The staff at Bainbridge Senior Living work hard to keep a full schedule of activities to keep all residents as busy (or as relaxed) as they wish.
