

LIFE BEGINS...ON BAINBRIDGE ISLAND.

There's nothing quite like senior living on Bainbridge Island. Be as active as you want, or as lazy as you like. Walk the trails of Battle Point Park, or stay home to partake in presentations and daily activities.

Bainbridge Senior Living offers assisted living rooted in the Bainbridge community. Our pledge to you: to provide the best possible care on or off the island.

Maggie Roop

It started with family.

The doors of Madison House first opened 25 years ago to help our founder care for his mother-in-law, Maggie Roop. Today, the family still runs Bainbridge Senior Living with the same love and commitment, 100% dedicated to keeping residents, their families and staff happy members of one big family.
